

Young Voices at the O2

On Monday 8th February the St Anne's Choir went to the O2 in London to sing with the Young Voices Choir. We sang with 7,805 other children. We had the chance to sing with Laura Wright, Lemar, Katie Melua, Tom Billington, The Beatbox Collective and Ben Haenow. We also got to dance with Urban Strides. I enjoyed singing with all of them but my favourite was Laura Wright.

Our conductor was David Lawrence. He was strict but fun. He got the best out of us. My favourite song was called 'Power in Me' as it was about us all coming together as one. I also enjoyed the moves.

This year was extra special for Young Voices as it was their 20th birthday. Young Voices raised money for a charity called Nordoff Robbins who help people with disabilities through music.

I loved singing at the O2, it was a day I will never forget.

Katelyn Hornagold, Year 4

Year 3 Visit Chelmsford Museum

On Friday 5th February we went on a trip to the Chelmsford Museum. We looked at things that might have been used in the Stone Age and Iron Age, like a hazel frame, you would have put clothes on it so they dried. We saw deer antlers, animal skins, stones, daggers and knives. We touched all the tools and animal skins. It was all fascinating. After that we made a timeline from the Palaeolithic age to the Romans. After lunch we built Stonehenge out of toilet rolls. We celebrated the longest day and the shortest. People went to Stonehenge for religious ceremonies. We also did soap napping, we carved pieces of soap into shapes. I made an arrow head. I had a fun day at the museum.

ESSENTIAL AWARENESS SESSION
For all Parents & Carers

Date: Thursday 10th March 2016
Time: 7.00pm—8.45pm
Venue: St Anne's Preparatory School

St Anne's Quiz Teams

Science Team

We were very excited to come first in the regional finals of the Science Inter-School Quiz Championship. We were up against stiff competition but still won by quite some margin. We are now preparing for the National Finals which will take place at the Oxford University Museum of Natural Science in two weeks time.

Amisha, Alex, Celeste and Stefan , Year 5

General Knowledge Team

On the 26th January we went to a general knowledge quiz at Holmwood House. Many of the questions were very difficult but some were a little easier. Our team worked very well together and we came first! This means that we are now going to the semi-finals!

Dhairya Gajera, Year 5

Year 5 Visit The Mayor's Parlour

On the 3rd February, Year 5 went on a trip to the Mayor's Parlour. We had the chance to meet and shake hands with the Mayor. We saw where he meets and entertains his guests and he told us what his duties are. I was impressed by the 22 carat gold chain which the Mayor wears on special occasions and by the mace, a long staff made of silver and was used as a weapon.

Stefan Neduclu, Year 5

Kindergarten 1 & 2 celebrated Chinese New Year. They made lanterns and dragon masks and KG2 did a dragon dance through the school.

Year 1 very much enjoyed their trip to the Museum of Childhood.

Year 3 visited Tesco's and learnt all about healthy eating.

Our Gifted & Talented art students went to the Wildlife Photographer of the Year exhibition at Oaklands Museum.
