

Out & About at St Anne's

Year 5 visited Braintree Museum which is housed in a former Victorian School, providing the perfect setting for their Victorian experience. The day was full of interactive and hands-on learning which they all enjoyed very much.

Year 1 enjoyed getting hands-on with objects from the Toy Museum's Learning Collection, trying on costumes and learning about the past, when they visited The Museum of Childhood.

KG2—Year 6 had great fun taking part in an organised 'Puzzle Day'

Year 2 enjoyed a visit from Kate who works for the Fire Service. She came to St Anne's to tell us all about the Great Fire of London. We also took part in some activities; we practiced pumping water, we formed a water line to pass the buckets of water down—some of us got very wet! We tried on helmets which were very heavy.

Year 6 enjoyed a visit to the Essex Police Museum to learn about Crime and Punishment

Fire safety at home: It's important that you know how to reduce the risk of fire in your home. Please visit our website www.essex-fire.gov.uk for further information and to arrange a Home Fire Safety Visit.
