Jewellery Policy

Risk Assessment

Wearing of jewellery can result in tearing or piercing of flesh.

- There is a potential for injury to the wearer due to inadvertent contact of jewellery with other people, clothing etc.
- There is a risk to other people especially at playtimes and PE lessons where injury could occur due to contact with jewellery worn by another person.
- There is a risk of injury to the wearer from removing tape used to cover jewellery if the tape pulls the jewellery as it is removed. Some people can have an allergic reaction to plasters or adhesive tape and this needs to be considered. There is one exception:
- Jewellery may be worn if required for medical reasons. In these circumstances parents/carers must apply in writing to the Headteacher.

If you wish your son or daughter to have their ears pierced, please ensure that it is done at the beginning of the summer holiday, in order that the piercing has healed and earrings can be removed for P.E. lessons.

PE, Games and Swimming

The wearing of jewellery in these lessons constitutes a hazard as injuries can be caused to the wearer through the jewellery being accidentally caught or knocked. Similarly contact with jewellery can cause injury to a third party.

Teaching and non-teaching staff will NOT assist any pupil in the removal, or replacement of jewellery prior to, or following, a physical education lesson or out of hours' activity, but will support taping.

Parents'/Carers' Responsibility.

- Parents/carers will be advised of the exact details of the school's policy on the wearing of jewellery through the school brochure,
- Parents/carers will be informed not to allow their child to have their ears pierced during term time and that the beginning of the 6 week summer break would be the best time in order to allow sufficient time for the wound(s) to heal.
- In the event of a child coming to school wearing jewellery the child will be asked to remove it, if that is not possible, the parent/carer will be contacted to come to school to remove it.

Staff Responsibility

- Staff will not, under any circumstances be expected to or allowed to remove any jewellery being worn by a pupil; this will be done by the pupil him/herself or the parent/carer.
- Staff will not, under any circumstances take any responsibility for the safekeeping of children's jewellery.
